Grayson Warren Brown

Liturgical Composer, Recording Artist, Author, Speaker

Grayson Warren Brown has been successful for over forty years. He has inspired people through his writing, performance of Christian music and inspirational speaking. He has motivated people to stand up, sing out and come alive for Jesus. Through his concerts, liturgical workshops and parish missions, Grayson has reached thousands of people to “stir into flame” that Spirit that God has given them.

Grayson Brown is a man especially blessed with the gift of:

- ❖ Music and faith – vision and hope – energy and joy
- ❖ The faith of countless people has been strengthened not only by his music – but also by his vision for parish life and mission
- ❖ His witness – his music – his work have brought people together – people of different races – different cultures
- ❖ And he has instilled in these people a role of leadership in parish life

Grayson Brown’s presentation will focus on the meaning of ritual, the nature of liturgy and the relationship of liturgy to the Paschal Mystery of Jesus. Participants will grow in an understanding of liturgy as a cycle of time, music and cultural expression. At the very core of Grayson’s presentation is the important role of the assembly in liturgical celebrations.
